

Island Board pays tribute to Auxiliary after 40 years

BY ELSIE MACDONALD

Highlight of the recent Hospital Auxiliary meeting was the presentation of a bronze plaque, a gift from the hospital board to commemorate the Auxiliary's 40 years

of service to Lady Minto Hospital.

Board chairman Paul Layard presented the plaque to Auxiliary president Mrs. V. Petapiece. Mr. Layard paid tribute to the Auxiliary for the work done over four decades.

"Support given to the hospital has been fantastic" he said.

Names of all presidents who have served the Auxiliary over the past 40 years will be engraved on the plaque.

Several members of the hospital board were present for the occasion and later served refreshments to the ladies.

Four ladies from Galiano were also present. They are part of the team of volunteers on that island who take turns working each Tuesday with residents in Extended Care.

One of the Galiano ladies, Mrs. Elizabeth Steward, is the daughter of a founding member of the Auxiliary, the late Mrs. Edith

Scoones, who also represented Galiano on the hospital board for many years.

During the business meeting conveners were named for the several areas of volunteer work: Thrift Shop: Mrs. M. Yellowlees; Extended Care: Mrs. N. Chester; patient's flowers: Mrs. E. Cairns; membership: Mrs. M. Laing; wor-

kers' name pins: Mrs. J. Buckley; press: Mrs. E. Macdonald; sun-room library: Mrs. P. Wilson; cakes for Extended Care: Mrs. E. Davidson; gifts for patients' trays: Mrs. L. Martin and Mrs. E. Hingster.

Advertisement will soon appear in Driftwood seeking applicants for the Auxiliary bursary awarded annually to a local secondary school student planning a career in medical science.

DOWN THE GUTTER
 WITH SANDY

I am sad to announce to bowling enthusiasts on this island the sudden passing of our beloved blind Golden Ager, George Code. George took his bowling seriously, as any bowler should...always trying to improve himself. He never saw the bowling alley, the bowling pins, the bowling balls, or the people who were his eyes but bowling gave him a new zest to life. He always looked forward to each Sunday when he could go bowling and be part of "normal" life. A special thanks to Ed and Nellie Miller who so lovingly became George's eyes.

BOWLERS OF THE WEEK
 Ray Tenisci struck pay dirt last week with 278 - 295 - 223 for a 796 total while Alicia Baxter rolled a respective 188 - 271 - 294 for a 753 total.

300 CLUB
 Sam Cochrane (322) and Stan Wakelyn (340) got into the club last week. Good to see the men's side catching up to the women.

PROVINCE TEAMBOWL
 So far the Salties of the Tuesday ladies league are leading with 375 pins over average. Don't forget your team's roll-off date.

LOST & FOUND
 Women! Check your closets for a missing sweater. We have three that have been quite a while now. If not claimed, these beautiful sweaters may end up in the thrift shop. Also, men, check your tie rack and see if you are missing a maroon bow tie (I thought they went out of style).

Y.B.C.
 Next Saturday is the doubles tournament. Don't miss this last tournament of the season. The following week (April 10th) will be the wind-up party.

BOWLING QUIZ
 A headpin split is marked on the scoresheet with a 'HS' not a 'HP'!

When a bowler is absent and no spare has been secured, the score entered in for each of the three games is to be 90% of that bowler's average.

Is it feasible for a poor bowler who keeps going over the foul line to get a minus score?

GOLDEN AGERS
 Those wishing to continue bowling after the regular season should let Nellie or Lucy know your intentions so that they can be planning the Golden Ager's Spring League.

RENOVATIONS
 Watch for some carpentry work and general improvements around the bowling alley as summer skies approach and I take off my rain gear. Also I'll be going to a convention in June in Kelowna and one of the days will be spent on a lane maintenance seminar.

WEEKEND OFF
 Next weekend I'll be up on the west coast and will miss the press deadline for "his column but we will get in the bowlers of the week and 300 club information for you. See you the following week.

CANADA PENSION PLAN Questions & Answers

Q. I recently moved. How do I notify the Canada Pension Plan of a change of address?

A. Notification can be submitted by use of the regular post office change of address form, or by letter, addressed to the Canada Pension Plan, Department of National Health & Welfare, Ottawa, Ont. K1A 0L1. Please make sure you give your old address, your new address, as well as the Social Insurance Number under which your benefit is being paid. You can also change your address by contacting your nearest Canada Pension Plan district or local office.

WRITE IT READY

The following list of copy rules has been prepared for two reasons: to make our job somewhat easier, and to assist you in preparing information for submission to your local newspaper.

An attempt to follow these suggestions will greatly increase the possibility of your submission being published without error.

1. Copy should be typewritten whenever possible or, if handwritten, be completely legible (we can't print what we can't read).
2. All material must be double-spaced.
3. Use only one side of the paper.
4. All items should be written in the third person and should include the name of the organization concerned in the first paragraph.
5. When a story must be shortened (in order to fit the space available) this is normally accomplished by cutting from the end of the item. For this reason, the most important elements of any story should be contained in the first few paragraphs.
6. Pictures are a welcome addition to any story, but both should arrive at the newspaper office at the same time, to avoid confusion. Photos should be accompanied by a caption.
